# CUBE HOUSE RULES

The House Rules are intended to guarantee a **safe & enjoyable stay** for our guests.

## § 1 LETTING OF ROOMS

1. Letting of beds or rooms is **by the day**. If guests have not specified the duration of their stay in advance, we assume that they have booked the room, or bed, for one day only.
2. If you wish to **extend your stay**, you must make this known to the reception by **11:00 a.m.** at the latest on the day of your originally planned departure. An extension of your stay is subject to room availability.
3. If you wish to **leave early**, before the originally planned departure date, there can be no refund for services (incl. ski pass) that have already been booked.
4. **Check-in time: from 3:00 p.m. Check-out time: until 11:00 a.m.**
5. Guests are not permitted to **sublet** their room to third parties.
6. The price of the room includes daily room check (waste disposal) as well as the **standard end cleaning**. If **extra cleaning** is required, the guest will be charged for the **additional cleaning costs** at check-out time.
7. Help us save the climate and the environment. Every day, tons of towels are washed at hotels all over the world – the enormous amounts of detergent used are a burden on our environment. For this reason, **towels & linens are changed only every 3 days**. Please place your towels on the floor if you desire fresh towels at an earlier time.

## § 2 LOSS, THEFT & VANDALISM

1. It is the responsibility of the guests to make sure that their **door is properly locked** every time they leave their room.
2. All cases of **theft or wilful damage** will be **reported to the police immediately**.
3. Guests responsible for damage attributable to **vandalism** will be **charged** for the damages before departure. CUBE reserves the right to expel guests engaging in vandalism from the house immediately.
4. Personal items **left in the room** will be sent cash-on-delivery to the guest at the address provided by the guest. If the hotel receives no instructions of this kind, the objects will be kept for a period of 3 months.

## § 3 FIRE SAFETY & NO-SMOKING POLICY

1. The **fire safety regulations** must be followed unconditionally throughout the whole building.
2. The fire safety regulations strictly prohibit the **use of water boilers, mini stoves, toasters**, immersion heaters, electric irons and similar devices that do not form part of the regular room amenities!
3. Any attempt to **wilfully disable the fire and smoke alarms** will be punished by a fine of at least € 100,00 or a charge of the **technical expenses** incurred if higher.
4. **It is strictly prohibited to smoke in the rooms**. Triggering a fire alarm can result in a charge of at least € 100,00 or the billing of the **cost for the deployment of the fire department** (at least € 240,00) to the person responsible.
5. Austrian legislation basically prohibits smoking throughout CUBE. **Smoking is therefore permitted in the designated smoking areas only**.
6. For **fire and safety reasons**, **illegally parked vehicles** will be towed **at the owner's expense**.

## § 4 QUIET TIMES & MISCELLANEOUS

1. On the upper floors, the **quiet-hours of 10:00 p.m. to 7:00 a.m.** of the following day are to be respected. In particular, we ask you show consideration for the other guests when watching TV, listening to the radio, etc. (room volume).
2. As is usual in any hotel, **keeping or consuming outside food and drink is not permitted** anywhere in the building, including the rooms.
3. Taking unregistered persons to the upper floors is prohibited.
4. Guests under 18 years of age must be accompanied by a parent or guardian chaperone.
5. At CUBE, we abide by the **laws for the protection of minors**. **Alcohol will not be served** to minors under the age of 18.
6. The regular **traffic regulations apply in the designated CUBE parking lots**. CUBE assumes no liability for parked vehicles.
7. We ask for your understanding that various parts of the buildings may be closed during the morning for cleaning.
8. **Use of climbing and slackline** is entirely **at your own risk**.

### Rights of the Householder

The Management of CUBE exercises the Rights of the Householder on behalf of the householder. In the event of a violation of these House Rules, the CUBE Management, or its agent, may declare persons to be persona non grata. The guest must be told the reason for such action.
